

```

# File: initials.py
# Description: Print out my initials in stylized large block letters.
# Assignment Number: 1
#
# Name: Halimatu Sadia Osman
# STUDENT ID: 2425402421
# Email: 2425402421@live.gctu.edu.gh
# Grader: Mr Augustus Buckman
#
# On my honor, Halimatu Sadia Osman, this programming assignment is my own work
# and I have not provided this code to any other student.

```

```

def main():
    # Print small initials then large block letters (10 rows x 60 chars) made of

    print()
    print("...HSO")
    print()
    print("...HH.....HH...****SSSSSSSSSSSS...****OOOOOOOOOOOO...****")
    print("...HH.....HH...****SS.....****OO.....OO...****")
    print("...HH.....HH...****SS.....****OO.....OO...****")
    print("...HH.....HH...****SS.....****OO.....OO...****")
    print("...HH.....HH...****SSSSSSSSSSSS...****OO.....OO...****")
    print("...HH.....HH...****.....SS...****OO.....OO...****")
    print("...HH.....HH...****.....SS...****OO.....OO...****")
    print("...HH.....HH...****.....SS...****OO.....OO...****")
    print("...HH.....HH...****.....SS...****OO.....OO...****")
    print("...HH.....HH...****SSSSSSSSSSSS...****OOOOOOOOOOOO...****")
    print()

main()

```
